Product name : 65W Slim Adapter

HP 65W Slim Adapter

[HP 65W Slim Adapter power adapter/inverter Indoor Black:](#)

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. X3 Full compatibility depends on platform configuration. If 90W or higher is required note that the notebook will be powered when using basic applications and/or for charging. Performance delays may occur on specific platform configurations if lower than original power supply is used.

- 40% thinner than the standard adapter for easy carrying alongside your notebook in the same carrying case.

- An integrated USB port conveniently charges other peripherals (sold separately) while you work.

- Compact and slim design makes HP Smart AC Adapters an ideal travel companion
