

C2G Velocity DB9 3.5 mm Black

Brand : C2G
Product name : Velocity
Product code: 02444

DB9, 3.5mm, 0.45 m, Black

C2G Velocity DB9 3.5 mm Black:

Why run all new cables for RS-232 control of your audio/video system, when you can use this easy adapter? The Velocity RS-232 adapter leverages your DB9 or 3.5mm stereo audio cable to run 3-conductor RS-232 control signals between your control unit and your video display. Fully molded DB9 and 3.5mm connectors provide excellent strain relief. This adapter is ideal for use with computers, projectors, and any control unit/display requiring 3-conductor RS-232 serial control.

Please Note: Not all serial control methods are supported by this adapter. This product is intended only for use with 3-wire RS-232 control cables with common ground (pin 5), transmit data (pin 3), and receive data (pin 2). For the exact pinout of your audio/video equipment, please contact your RapidRun sales representative for assistance, or call customer service

C2G Velocity. Connector 1: DB9, Connector 2: 3.5 mm, Cable length: 0.45 m. Product colour: Black
