Accuratus 360 Hub - USB Full Size Professional Slim Multimedia Keyboard with 2 Port USB2.0 Hub

About

The Accuratus 360 keyboard is a slim, full-size keyboard with minimalist design. The 360 is the ideal finishing touch to a modern office space, blending in seamlessly. The keys have a tactile feel, are soft touch for a muted sound and have a subtle contour to fit fingertips. The 360 Hub keyboard also features extremely durable key legends that have a UV coating for an enhanced life span. Our hub model has an integrated 2 port USB2.0 hub at the rear, perfect for easy plugging of accessories.

The keyboard is in full UK key layout, with other languages and colours available on request. If you are a business/education user and looking for quantity the 360 Hub can even be fully customised at with your own specific print, keys or logo, just contact us for more details. Whether it be for home, office, school or elsewhere, you will not be disappointed with the Accuratus 360 Hub..
