

ABBY09G USB-C to HDMI Adapter, 4K 60Hz

Product Images

Short Description

1. Supports HDMI resolution up to 4K 60Hz
2. Aluminum casing for heat dissipation
3. Simple Plug and Play installation
4. Robust and flexible braided cable for extended durability

Description

This compact and easy-to-use adapter allows you to connect your USB-C enabled laptops, tablets, or smartphones to an HDMI enabled display, delivering stunning 4K Ultra HD resolution at 60Hz refresh rate. With no need for drivers or software installation, simply Plug and Play for hassle-free convenience. The durable braided cable is designed to withstand twists and tugs, making it a reliable choice for tight spaces or on-the-go use. Whether you're giving presentations, watching movies, or playing games, our adapter extends your device's functionality and lets you enjoy high-quality multimedia content on a larger screen. The braided cable remains flexible and easy to bend, making it perfect for use in tight spaces or on-the-go.
