

235216 2-Port Cat.6A Surface Mount Box

Product Images

Short Description

1. Gold plated contacts for superior conductivity and corrosion resistance
2. Class Ea according to ISO/IEC 11801 and EN50173
3. Compliant with ANSI/TIA/EIA 568 standards
4. IDC terminal
5. Color: White (RAL 9010)
6. Unshielded

Description

The equip® 2-Port Cat.6A Surface Mount Box is a versatile networking solution that accommodates two Cat.6A Ethernet connections. It serves as an interface point for terminating and connecting Cat.6A cables to a wall or surface, commonly used in offices, homes, and commercial spaces. This surface mount box features a durable construction and a compact design, allowing for easy installation and efficient cable management. It supports high-speed data transmission and is compatible with Cat.6A cables, providing reliable network connections for multiple devices. With two ports, it's ideal for applications such as connecting computers, printers, IP cameras, access points, or other networked devices. This solution ensures efficient and secure networking solutions while maintaining a neat and organized appearance.

Additional Information

Approval and compliance	CE, RoHS, REACH
Shielded	No
Product weight (kg)	0.0435
Color	White
EAN	4015867233955
Model Number	235216
Package Contents	235216
Dimensions (W x D x H)	61 x 59.1 x 29.6 mm
