Description

Enhance your laptop stand experience with our integrated 7-in-1 docking station, expanding your device's USB-C capabilities. The stand offers adjustable height and angle for optimal ergonomic positioning, along with a 360° rotating base for flexible working positions.

The 7-in-1 docking station includes HDMI, USB-C PD, USB-A, and USB-C ports, as well as card readers for SD and MicroSD/TF cards. Connect your USB-C enabled laptop, tablet, or smartphone to an HDMI-enabled display, delivering stunning 4K Ultra HD resolution at a 60Hz refresh rate.

Experience steady and efficient data transmission with transfer speeds of up to 5Gbps with USB-C and USB-A ports. Perfect for home entertainment, office presentations, and classroom teaching.
