

TAC570IV4

BUSINESS BACKPACK WITH
TECHAIR TECHNOLOGY®

Notebook

tech air

Main Feature: Techair technology®. Your laptop is cushioned against blows, bangs and drops by providing pressured-air resistance on impact

A high-end, high-grade, feature rich business backpack.

This high capacity corporate backpack includes a laptop compartment with the patented techair® protection technology.

The additional 2 compartments, together with a zipped front pocket, offer plenty of space to accommodate your cables, documents and file, your phone, MP3 player, tickets, passport, business cards and pens, so that you have all your essential well organised.

The backpack comes also with adjustable padded shoulder straps and padded carrying handle.
