Quick Installation Guide

TEW-808UBM (V1)

Table of Contents

1 English

1. Before You Start
2. Windows® OS Installation
3. Mac® OS Installation

1. Before You Start

Package Contents

- TEW-808UBM
- Quick Installation Guide
- CD-ROM (Driver & User's Guide)

Minimum Requirements

- Computer with USB 2.0 port or higher
- Operating System Compatibility:
 - Windows® 10 , 8.1, 8, 7
 - Mac OS® 10.12- 10.9

2. Windows® OS Installation

1. Insert the included CD-ROM into your computer's CD-ROM drive.

Note: If you do not have a CD-ROM drive, you can download the drivers from <http://www.trendnet.com/support/>

2. At the CD Autorun Prompt window, click Run Autorun.exe.

Note: If the Autorun prompt does not appear automatically, open the CD contents and double-click Autorun.exe.

3. At the CD-ROM main menu, click **Install Driver**.

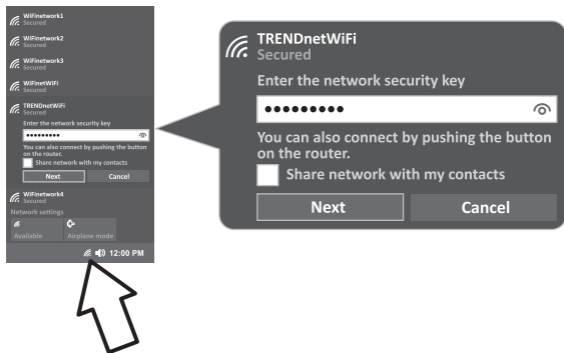

4. Follow the InstallShield Wizard instructions and restart the computer once the installation is complete. After the computer has rebooted, plug the TEW-808UBM into an available USB port on your computer.

5. Click on the wireless icon in the taskbar located in the bottom right corner.

6. Select a wireless network, then enter the WiFi Key (password) and click **Next**.

7. The status will display “Connected” to indicate a successful connection.

Note: If the connected message does not display, double check your WiFi key (password) and re-enter it.

3. Mac® OS Installation

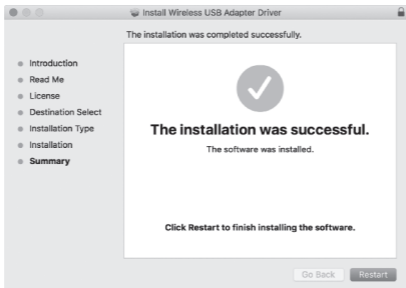

1. Go to <http://www.trendnet.com/support/> to download the latest driver and double click to extract the files or you can access the files on the included CD.

Note: Mini CD's can only be read by an optical tray, using an optical slot can damage your computer.

2. After you have extracted the files, double click the **Installer.pkg** file and follow the steps.

3. After the installation is complete, you will be prompted to **Restart**.

4. After your computer has restarted, click on the wireless icon located in the menu bar at the top of your screen.

5. Select your wireless network.

6. Enter the WiFi key (Password) and click **Join**.

7. After you have successfully connected to your network the icon at the menu bar will change to the signal strength you have.

Note: If the connected message does not display, double check your Wi-Fi Key (Password) and re-enter it.
