

We are Pleased to Announce our Exclusive Distribution with Contour!

Effective from January 3rd, 2022, Hypertec Ltd will be the exclusive UK distributor for Contour.

Contour Design® provides evolutionary products that allow people to work safely at their computers without the risk of physical pain or injury. Their products offer [the highest degree of ergonomics](#) and inspire variation and improved habits.

With [Free UK Based Pre and Post Sale Technical Support](#), lots of Contour products in [stock ready to ship for next day delivery](#), and [delivery available right up till Christmas Eve](#). We are confident that this partnership will continue to provide our customers with the outstanding quality and exceptional service they have come to know.

To learn more about Contour Design, or for more information about our exclusive distribution agreement, contact your Hypertec Account Manager today.
